Genesee County Intermediate

INSTRUCTIONS: The valuations on this form are for a single county. When this valuation information has been obtained from the equalization directors of all the counties which are included within the boundary of the intercounty fractional taxing jurisdictions listed, the 2020 millage reduction fractions can be calculated for those intercounty jurisdictions.

The valuation information required by 211.34d, MCL, is the same information needed for P.A. 5 of 1982, Section 211.24e, MCL "Truth in Taxation". This form is to be filed with the State Tax Commission and with each unit of local government which has taxable property located in more than one county.
