"Mrs. Kelly's Journey Home" … A Performance by Breeda Miller

Breeda Kelly Miller brings to life a funny and often profound look at her mother's journey from her native Ireland through the end of her life, charting the type of experiences felt by generations of immigrants and adults caring for their aged parents. This is a theatrical memoir, with Breeda performing each role, introducing us to her parents, their families, and friends. Mrs. Kelly's Journey Home will keep audiences riveted from the opening line to the closing blessing. It is a moving, joyous exploration of love, roots, and family.
