

## Children's Special Health Care Services

Spring 2024

### Welcome Spring

#### Local Camps and Summer Recreation

It's never too early to begin planning for summer camp. Many camp registrations are already open for the summer season.

To help local families, The Arc Livingston Camp Scholarship Program is back! They offer scholarships (up to \$400 per child) to provide children with disabilities the opportunity to participate in summer recreational experiences. Apply before June 1, 2024, by visiting: [www.arclivingston.com/summer-scholarships](http://www.arclivingston.com/summer-scholarships).

There are many camps in our area. You can find one that fits your child's unique interests! Here is a list to get you started:

## Nurse Visits: Let us help you!

We want you to maximize your CSHCS benefits. The best way to do this is with a Nurse Visit. Our team can help you navigate your medical care needs, provide health education, and identify helpful community resources. We offer Nurse Visits in person, over the phone, or online. During your visit, a nurse will:

- Discuss and update your medical information to verify all CSHCS qualifying diagnoses and providers are on your account.
- Explain CSHCS benefits and answer all your questions.
- Talk about what happens next, especially as CSHCS children become adults.
- Share resources that could help your family.

Call 517-552-6845 to schedule a visit now!
