4. REPORT OF ADMINISTRATOR

- S. Applegate discussed the FY26 Community Corrections grant. The LCCCAB has determined that we will continue our current programming for FY26. The LCCCAB has also discussed at the last meeting that we would start exploring Pre-trial Services this upcoming fiscal year with a possibility of starting it in FY27.
- S. Applegate stated that we had previously discussed sending a couple of people to attend the national pretrial services conference. However, she spoke to Dawn (Grant Manager) and unfortunately, it cannot be funded since we do not actively have pretrial services in place.
- The only changes to the FY26 application is an increase of wages and fringes and a 20% estimated increase in services due to the RFQs going out for bid this FY.
